## WELCOME

What a great season this is! I love this time of the year, as we lead up to Christmas, summer is upon us and the new year is on the horizon.

But what I particularly love about this time of the year is the opportunity Christmas brings. Even in the mostly unbelieving society in which we live, Christmas very much holds a significant place on all our calendars. People put different spins of what Christmas might mean to them, but the fact remains Christmas is the celebration of the birth of our saviour.

The opportunity for us, the church, to use the profile of the Christmas season to freely give the best present anyone could possibly give – the gift of Jesus Christ! We really do possess a message of good news! Forgiveness of guilt and sin, direction and meaning in life, a secure future and hope – eternal life IS the good news of the Christmas season.

As a church, let's make every effort to share this good news, this special gift with as many people as we can. Have a great Christmas season and enjoy all God's blessings.

Love,

PS BRUCE, RUTH, JUDAH  
& GEORGIE
