G'day Church

Submission. It doesn't have a very friendly sound to it, does it? But, the truth is when we come to understand it's Christian meaning **it is incredibly liberating** to us in a multitude of ways.

The world we live in highly values the independence of the individual. To talk of living a life of submission goes totally against this way of thinking. Submission challenges our cultural values, but as Christians, **biblical values must always supercede cultural values.** And through the biblical value of submission to God we come to experience and live in true freedom.

John 4:23

tells us
But the hour is coming, and is now here, when the true worshipers will worship the Father in spirit and truth, for the Father is seeking such people to worship him.

What the Father is seeking of us is worship, true worship, because it is in worship that we submit control of our lives at the feet of Jesus.

True worship is being prepared to make **God number 1** in our lives. Not when it suits or when we need help – but because that is the way God created us to live, in surrendered relationship with Him.

It is when we learn to submit our lives – our futures, our decision making, our finances, our families, our health, our commitments, our ministries – to Him freely and gladly, knowing His way is the best way, that **we come to place of true worship.**

Galatians 5:1 says "For freedom Christ has set us free; stand firm therefore, and do not submit again to a yoke of slavery.

In other words, **we have a choice** – submit to Christ and live in the freedom he brings OR continue to let sin rule and remain in slavery to it. The choice is ours.

We all submit control of our lives to something or someone. Let's be people devoted to **joyfully surrendering our lives to the one who rules and reigns over all creation – Jesus!**

Love and Blessings,
